Subject: Calls/meetings?

Hi Rob,

Just checking in...I thought last week we left things off that we would try to have a face-to-face meeting with the dredging contractor on Thursday, and possibly a logistics call today.

Could you please let me know the status of these?

Thursday, I'm available in the afternoon for an in-person meeting, or until 11 for a phone call (in person preferred).

Today, I'm available after 3:00.

Thanks,
Stephanie
